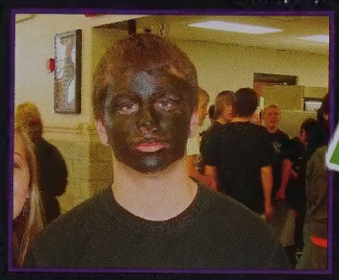
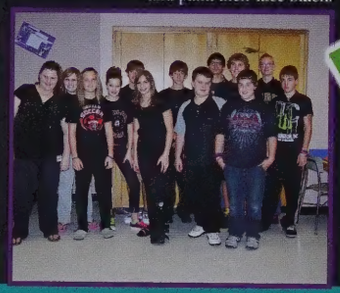
HOMECOMING

Lunch
Black Out Day had the best turn-out for dress up days!

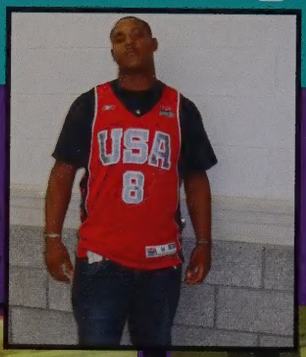


Mason Baker
Some people may keep it simple and wear a black shirt. Or some people may go all out and paint their face black!



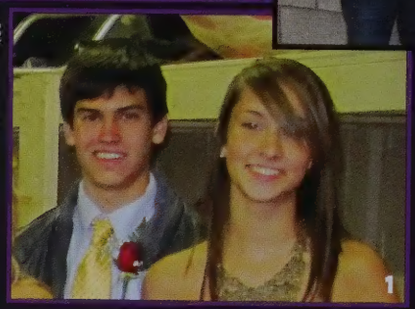
Class Time
Rarely did you walk into a class and see somebody not wearing black.

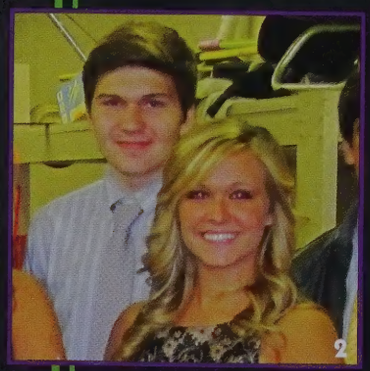
powderpuff winners!



It's sports day! The Juniors take the win!

Homecoming Winners
1) Sam Comfort and Emily Wallace represent the Freshmen. **2)** The Sophomores voted Jessie Reutebuch and Kevin Graber as their representatives. **3)** The Juniors were won by Kendra Lechleidner and Dylan Liddell.





King & Queen

Megan Sizemore and Jake Millett win Homecoming King and Queen. They were voted top two by their senior classmates.

Fair Week

This is the Fair:

Every year hundreds of people flock to downtown Auburn for the DeKalb County Free Fall Fair. Students enjoy a day off of school on "Fair Friday" every year. Many students spend their whole day off at the fair, eating greasy fair food from Junk Food ally, riding fair rides, and just walking around the courthouse with their friends. But the fair is not just fun and games; for many students the fair is the most important time of the year. For students who participate in 4-H and other competitions, fair week is when they can finally show off what they have been working on all year.

STUdent life

Student Life
in and out of school

DeKalb Barons are not just students here; we are also teenagers, siblings, friends, sons, daughters, and grandchildren. We are all members of the community and all of us have a life outside the walls of DeKalb High School. This is the time of our lives, and in the future as adults, we will want to look back on our high school experience knowing we took pride in our school work, but we also had fun. To be a Baron, we are expected to have "Excellence, Everyone, Everyday." Learning what you need in high school is important, so we are ready for the future; however, it is also important to have a good time while here at DeKalb High School.

Madison Seifert reaches out to our students in need of support for a high school in Indiana that was destroyed by a tornado. On March 2, 2012 Henryville High School was destroyed, as you can see in the picture above. One of Madison's own friends attended this high school. This tornado generated 170-mph winds. DeKalb High School contributed $1020.28 to the high school through our Hoops for Henryville staff-student basketball game.

Spanish Club

The Spanish Club likes to have lots of fun as a group. At the beginning of the year (pictures shown below), and even had some friendly competitions testing out one another's bowling skills! Towards the end of April, the Spanish Club and German Club played the World Cup after school with a score of 5-2 the hard fought win of the Spanish Club gave them bragging rights for the rest of the year.

German Club

Every other year, the German Club is given the opportunity to make a memory by going on an exciting trip to Germany! Through this experience, German members learned about culture, food, and the people. Below they share their experiences with us and even got to know each other a little better than before.

National Honor Society

National Honor Society was made in 1921. It honors those students who have gone above and beyond. It is described as one step higher than Honor Roll. Student study the four characteristics of...

Character, Service, Leadership, and Scholarship.

It's said that more than one million kids in the US are honored in NHS. Students must be inducted into NHS. This is done at a candle light ceremony for the kids. They also are required to complete volunteer hours. These students are all dedicated and hard workers.

StudentCouncil

his year's student council found many ways to allow students to show school spirit. omecoming is one of student council's big responsibilities for the year, from coming with the theme to making up the spirit days. Student council is also involved with ANstruction, a philanthropic food drive for the community. While students are doing ood deeds", we also have fun with it. For CANstruction, students create a structure t of cans with the year's theme; this year's theme was building team spirit. eKalb's structure was the olympic rings on one side and country flags on the other. ter the competition with other schools is finished, the cans are donated to local food nks.

What was your favorite part about student council?

"My favorite part about student council was CANstruction, and having my best friend by my side the whole time."

Mrs. Rohm

I am exceptionally proud of the Saber staff this year because their dedication to the "fine details" on each page. Taking ownership of their designated pages, each staff member spent hours perfecting: the layout and design, quality of pictures, and the story for each page. Providing guidance and experience, veterans were a great support system for the novice staff members. Great work, girls! For the girls who are returning next year, I'm looking forward to your ideas and leadership for the upcoming year.

Raytheon Visit

Greg Macon, Stephen Murray, Carly Kessler, Nick Jones (Gavin Mosier not pictured)

Five DeKalb students and Mrs. Matthews attended Raytheon's high school visitation day. While there, students experienced many different engineering techniques and worked on team projects. DeKalb's team placed 1st in the circuit assembly and second place for matching their oscillator to the frequency that had been their goal. According to Mrs. Matthews, DeKalb won the most challenging project of the day with their superior calculation.

Science Fair

At this year's science fair, Alex VanWye was awarded a 1st place trophy for his project entitled "Enhancing the Efficiency of Milk Production via Music." Maddy Fifer won 2nd for her project "Magnets and Me", and Ashlyn Teders won 3rd for "The Effect of Prevention Methods of the Pharyngeal Reflex." Nicole Gillespie, Heather Bickenstaff, and Christa Voirol were awarded honorable mention. At the regional Science fair VanWye took 2nd, and Gillespie took 3rd for Animal Science, Fifer took 2nd for Engineering, and Bickenstaff took 2nd for Botany and Microbiology.

BELIEVE

FFA does more than compete in agricultral contests, they do fundraisers and help people in need. Tailgate for Troops was an event they held to raise money to support our troops, over 400 dollars was raised. For Halloween 23 members of our FFA helped children from Garrett Elementary School carve pumpkins. Joining together with our boys basketball team, a spaghe dinner was held before the game to support two boys with medical issues. One boy was from DeKalb and the other was from Northridge, our opponent that night. A total of $2,400 dolla was raised; each family received $1,200. 38 members of FFA competed in the District III Convention and overall were rewarded being the Reserve Top Chapter. Showing their dedicati and leadership, FFA ineracts with other schools and represents our school in an astounding way.

MUSIC WITH A MISSION TOUR

Presented by: FCA and Star 88.3

Rickey Lannet, President of FCA, had a vision of bringing something big to DHS. His dream became reality after many letters, emails, and calls to Music With A Mission. People from all over the area came to DHS to see some of the biggest names in Christian music.

Art League Bake Sale

Art League sponsored a bake sale during the art show. Many students worked together to bake food and sell the items. All of the money raised was sent to the Henryville High School to help rebuild after being devastated by a tornado earlier this year.

Semi- Formal Preparation

Art League put on this year's Semi-Formal. Spending countless hours during SPT and after school setting up for the big event, the Art League members raised the money from the Semi-Formal to supply art students with materials for the year.

Boys and Girls BOWLING

Girls bowling had a great season. They swept their season taking first place. The ladies also placed first in sectionals. They then advanced to regionals taking it a step farther heading to semi-state. Good job, ladies!

Row 1: Ashley Applegate, K.C Toyias, and Megan Loff. Row2: Kaelee Jones, Tia Gierhart, Courtney Redden, Lisa Velten, and Coach Toyias.

A word from K.C

Bowling for the last four years has been amazing. Meeting every single one of these girls has been a blessing. This year was my favorite year because we lost as a team and won as a team.

Boys bowling had a wonderful season. As a team they placed second over all in their season. Followed by a 2nd place finish in conference, and then a 3rd place at sectionals. The bowlers drew a wild card to advance them to regional. The boys then took 8th place at regional.

Row 1: Cody Hoeppner, and Tommy Etgen. Row 2: Garrett Likes, Keaton Turner, Bailey Marks, and Dante Graham.

Vocational

Providing Adult and Vocational Education to Northeast Indiana

Food service preparation, operation, and becoming a chef are the main goals for culinary students. This vocational allows them to learn all the secrets in food like nutrition, sanitation, safety, basic food preparation, baking pastries, meat and seafood, equipment utilization, management, and inventory. They will then become American Culinary Federation (ACF) certified.

Students in machine trade learn the basics of making tools. They use drill presses, saws, mills, and lathes to accomplish this. They are encouraged to building precision tools that are in their future career field. Some kids enter a second year of machine trade and learn with more advanced equipment.

Direct Health Care

Front Row: Tawney Helbert and Autumn Worman **Back Row:** McKenzie Scott, Megan Loff, Zoie Houser, Sam Shepherd, and Kim Shepherd

If anyone is interested in nursing or direct patient/resident care, this is the vocation for them. Completing this course and taking an exam will earn them a Certified Nursing Assistants (CNA) certificate. They learn CPR and first aid through this course.

Graphic Design

Paige McDaniel and Hailey Parsons

These students will be making illustrations for advertising, display, poster design, and instruction manuals. They will be using multiple fonts, graphics, and inks and colors. Completing this course can earn them nine college credits at IVY Tech.

Welding

Lucas Thomas, Devon Barnhart, Terrin Dietrich, Trey Landis, and Michael Sliger

The focus of this course is allowing students to practice shielded glass welding, gas tungsten, arc welding, and plasma arc cutting. They also learn how to set up ironworkers, power shears, chop saws, and drill presses. Because the class is under the American Welding Society, student can earn their AWS, Level 1 Certificate.

FOCUS ON CAREERS

Criminal Justice provides students to learn and practice being a police officer, attorney, probation officer, secret service agent, state trooper, and many more. They will learn about fingerprinting, criminal patterns, and accident investigations through guest speakers, hands on experience, and case studies.

Front Row: Cassy DePew, Arius Ruiz, and Dezarae Mills Back Row: Dakota Bank Jeremya Moeller, Chris Bell, and Cody White

This marine mechanics program is the only one in the US that has earned the Marine Industry Certification. These students are learning classroom and lab experience from the best. After completing two years of this program, students earn their MIC certification. Marine Mechanics teaches kids to outboard and stern drive engine repair, hull repair and detailing, trailer adjustments, customer relations, and much more.

Derek Furrow, Andrew Gallegos, Austin Parr, and Jarron Zent.

Interdisciplinary Co-operative Education allows students to go into any work force and do on-the-job training. It's like a normal job for them. They are required to complete 15 hours each week.

thanks for the five years!

a word from Kempf:

It was another **great year** to be a part of the DeKalb Volleyball Program. The varsity team finished their season with **18 wins** and 13 losses. Each match was a **hard fought battle.** This group of outstanding girls never gave up and always fought their competition to the very end. Illness and injury were overcome with **dedication and flexibility.** The highlights of the season included winning the Whitko Tournament by **defeating** Whitko (2-1), West Noble (2-1), Heritage (2-1), and getting our **revenge from Garrett** in the championship game winning (2-1). We always look forward to playing our **rival, Leo,** and this year we beat them in regular season 3-0.

The **starting six** come together before the match to collaborate and make a game plan. They end the huddle with a traditional **"How do you spell FIRED UP?"**

And Now... *a word from the coach*

What was the squads biggest improvement this year?

-Fall squad showed great improvement during our UCA Summer Camp. They improved their stunting and motion technique

What was the highlight of the year?

-The Homecoming game against Norwell in the pouring down rain

What are you looking forward to next year?

-I'm looking forward to the upcoming winter season and meeting new girls that've joined us and making our squad even better than before

What were you expectations for this year?

-Expectations for every season are bonding as a squad and working together to promote school spirit

THIS IS...BARON PRIDE

WINTER CHEER 2012

If it's in your heart, it shows in your spirit

The words the squad lived by this season was, "Don't cry because it's over, smile because it happened." Dr. Suess. This season was probably the DeKalb Cheerleaders most rewarding season. Coming out on top with a few more new and experienced girls added to the talent. Hitting almost every new stunt the first time made the girls proud of their new accomplishments. Their continuous spirit uplifted both basketball teams. Great Job on a good season girls!

WHAT TIME IS IT? IT'S CHEERIN' TIME!

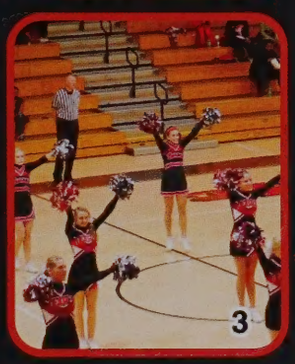
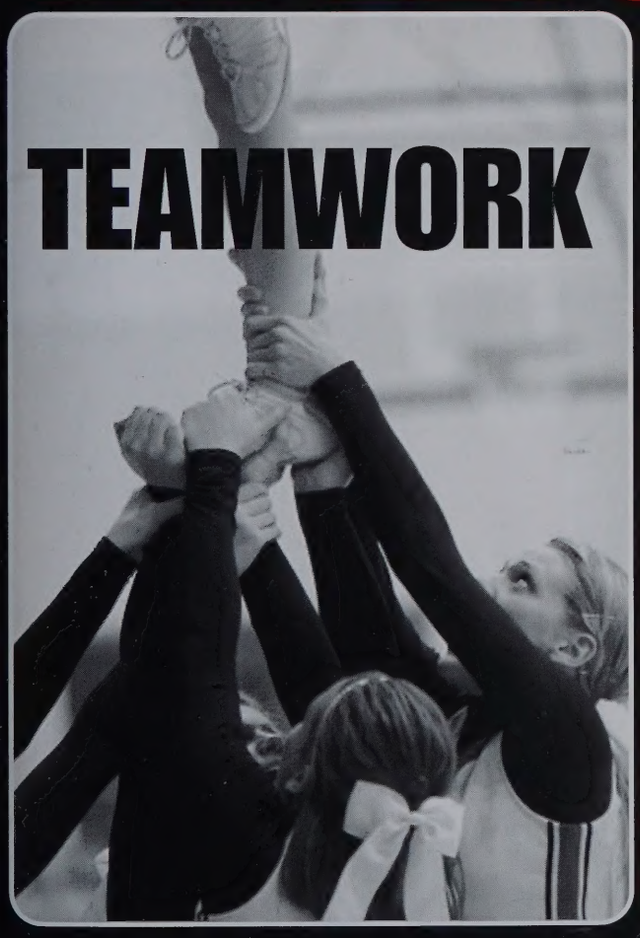
Sophomore, Maddie Fox, is a triple threat. In cheerleading that is. Showing off her talent she whips out a heel stretch, switches to a demanding scorpion and then flys in an arabesque.

1. The girls pose for a funny Christmas card
2. Brenna Liddell gets the crowd going during the school song
3. Sam Hunt performs a twist cradle

1. Ashlyn Conrad has fun getting the crowd involved
2. Macy Lusher, Caitlin Krebs, Ashton Helbert, and Saige Prosser like doing dances to entertain the crowd before the Varsity game
3. Kennedy Thomas, Saige Prosser, Bailee Smith, and Macy Lusher prepare their jumps during school song.



TEAMWORK



1. Zoe Draper and Megan Smaltz are proud to be Baron Cheerleaders.
2. The Senior Cheerleaders and Senior Girls Basketball players jump in the air as ONE.
3. Sam Hunt and Hannah Krieg hold the run through.

1. What has Cheer taught you?
2. What will you miss most about your squad?

1. Cheer has taught me about patience and the importance of team work..
2. I'll miss the excitment of working towards hitting a new stunt and sharing our success as a group.

1. Cheer has taught me leadership, teamwork, dedication, and most of all, love..
2. I will miss the feeling of hitting a perfect stunt, performing the school song in the gym on an opening night, and cheering like crazy when the score is close.

1. Cheer has taught me how to work as a team and and how much of an influence we are to little girls.
2. Our closenesss, inside jokes, and bus rides jamming to Destinys Child.

1.Cheer has taught me leadership and how enjoyable working with others can be.
2. What I'll miss most about the squad is the friendship I've formed throught my four years of year high school!

1. Cheer has taught me to work together as one unit.
2. The thing I will miss the most is how close of a squad we became this year and how much of a family we are.

TOGETHER

WE Play Basketball;

Take a look at the top of the page... togetherness is essential for a good team. DeKalb Lady Barons Basketball had a record of 14-6. Doing whatever it takes to win games, whether it is sitting on the bench cheering, handing a bottle of water to a teammate, or even hitting the game-winning shot, as individuals we all knew when it was time to be serious and when we could have fun. The season ended with a loss of 5 great seniors, who will be missed. Congratulations ladies for a great season.

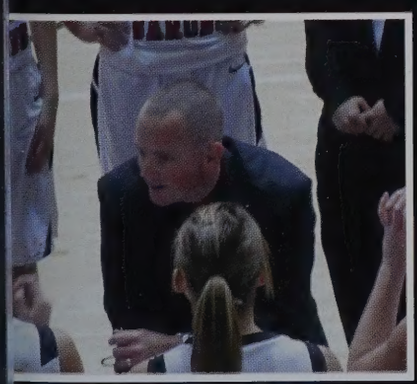
COACH'S THOUGHTS...



"This year's team will be a team a TEAM that I will never forget. I really was blessed to be able to coach a group of girls that had one goal in mind, WINNING! I really appreciate the way that the girls came to practice day in and day out with the mind set of getting better. That is a very fulfilling feeling to have as a coach. I would like to thank my seniors for setting the tone this year and keeping everybody focused as a team. To the underclassmen, the sky's the limit. Keep working and stay TOGETHER!" -Coach David

"It's not how good you are, it's how bad you want it."

Just a Group of Athletes?

This season was a tough battle for the 6 seniors. They were playing with such a young team. They new it didn't matter though. Every minute they did what they could do. The younger girls stepped up just as much. They weren't just athletes, they were a group of girls who came out knowing what to expect. They worked great together, and made sure to have fun while winning games. Great season, girls!

We are privileged to have been such a big part in your growing up years. You have grown into a handsome and kind young man. Good luck with the next phase of your life!
Love,Grandpa & Grandma

Scott Day

Congratulations on graduating! It's been an awesome 18 years watching you grow and excel in every aspect of your life. I'm so proud of the amazing man you've become, and you'll do just as well in college and beyond.
Love,
Mom

Caleb Decker

You are a a thoughtful, loving, and respectful young man, who never hesitates to help others. Your confidence, skills, and hard work will make for a very bright future. We are so proud of you!

Love,
Mom and Dad

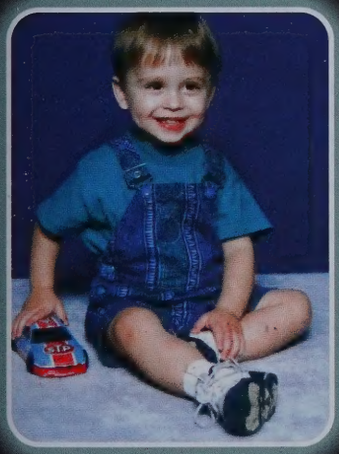
Megan Elaine Sizemore
(My Baby Girl)
Congratulations!
You are the bestest daughter in the whole world!
You are kind, sweet, honest, loving, understanding, forgiving, caring, happy, smart, and beautiful!
YOU are a Blessing!
Try to always do what is right. Love God, love people, & love life.
You are my Sunshine, My only Sunshine, You make me happy, when skies are gray…
I am a better person because I am your Mom.
Good Luck at IPFW!!
I Love You, Love You, Love You!!!
Mommy

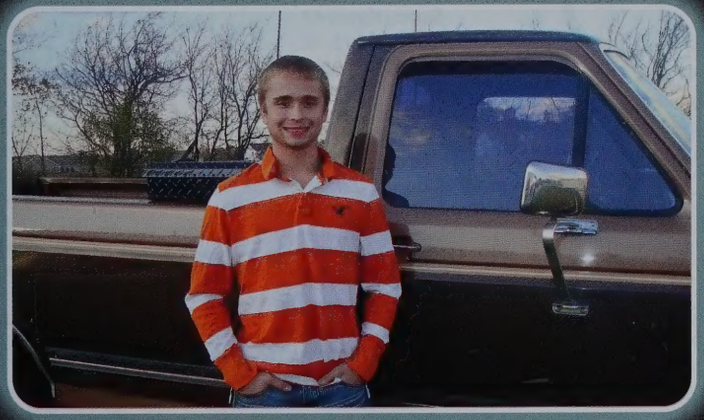
Megan Sizemore

Curtis Russell

Way to go, Curtis! Congrats on being a grad! Find your passion, live your dreams and you'll never "work" a day in your life!

Love,
Mom, Ed, Kristin, Jake, and Letha





Tawney Helbert

Congratulations, Tawney Justine. We are all so proud of you and love you very much.

Love,
Your Family

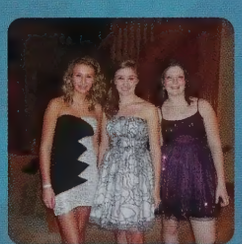
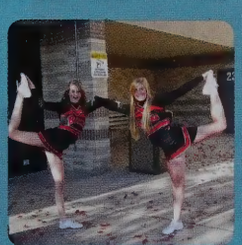
The 2011- 2012 school year began with fun events like homecoming and the fair. We had a new principal, Mr. Ginder, whose name is synonymous with phrases like "tardy sweeps" and "been Gindered?". We also shared many good memories laughing with friends, little did we know the year would literally seem to "fly" by. December ushered in a mild winter and short Christmas break with finals being taken before break. The second semester was a buzz with preparing for the end of the year, ECA tests, AP tests, scholarship applications, and graduation for the seniors. Through the laughter and tears, we made it!





The 2011-2012 DeKalb Saber Staff would like to extend a special thanks to...

...Mrs. Rohm, for her patience, and guidance toward the completion of the 2012 yearbook.

...Mark Childs, the Saber Staff's Jostens representative, for contributing *great advice.*

...Becky Smith and Rod Walker, for submitting useful *photos* of the DeKalb student body.

...Hailey Parsons and Mrs. Cone for cover design ideas.

...Most of all, YOU for purchasing a Yearbook! As a student based staff, we would like to bestow our apologies for any misspellings of names, or errors made throughout the book. The Saber Staff put a lot of time and effort into making a yearbook that captures high school *memories*, and we hope that you can enjoy them for a LONG TIME.
